## REVIEWS

"Still getting chills from how inspiring and powerful you were! Hope you continue to do this more often now, more people need to experience your light"

- Rei Perovic -

"Yuko shares the most vulnerable moments of her life through her beautiful music with such tenderness. She makes you ponder about your relationships, self-worth and love. She changed me for the better."

- Minami Yusui -

"In the short span of time of this one woman show we are prompted to leave home ourselves if only to meet again who we are and continue to try and communicate honestly with the identity we create in the audacity of living."

- Anthony Ptak -
